

LONDON POLICE SERVICES BOARD

“Deeds Not Words”

Report #: 19-30

To: Chair and Members of the London Police Services Board

Date: March 6, 2019

Subject: **Public Sector Salary Disclosure Act**

Members of the London Police Service are subject to the requirements of the *Public Sector Salary Disclosure Act*. The Act stipulates that where municipal employees' gross earnings exceed \$100,000, their name, position, gross income, and any taxable benefits be disclosed publicly.

Gross income may include amounts related to overtime, off duty pay, retroactive adjustments, or other compensation (e.g. WSIB). For 2018 there are a total of 395 employees on this list compared to 382 for 2017 and 331 for 2016. The Deputy City Treasurer will file this information along with the *Attestation to the Record of Employees 2018 Salaries and Benefits* with the Province by the legislated deadline.

Of note, included in the 395 employees for 2018 are 236 Constables of whom 70 were on the list as a result of special paid-duty hire-on shifts, where the related compensation is recovered from private sector companies and organizations and not through the tax supported budget. By comparison, in 2017 there were 230 Constables of whom 81 were on the list as a result of special paid-duty hire-on shifts.

RECOMMENDATION:

That the Board receives the attached report.
